ELLE DECOR A matter of stone

Embark on a journey through the design wonders with stone at A matter of stone in Hall 1 - a commercial pavilion for inspiring design solutions seamlessly blending with the worlds of furniture, luxury, and contracts. A matter of stone is curated by Elle Decor Italia, with the layout designed by the architectural firm Calvi e Brambilla.

THE PLUS THEATRE

Explore a path of discovery at Marmomac in Hall 10, where cutting-edge exhibitions unfold, shaping the future of lithic material utilization and technological innovation.
